Mr. McMilion,

Thank you for your request—the determination to carry over an item is at the discretion of Commission staff and can be influenced by any number of factors. It simply represents a temporary decision to shift an item to another agenda, as in two items on today's agenda. The Commission will pick up these items, including Docket No. 2019-331-E, at the next Commission Business Meeting, which take place each Wednesday afternoon at 2 p.m.

Next week's Commission Business Meeting agenda will be posted [at this link](#) no later than Monday (March 16th) and the meeting will be livestreamed at [this link](#).

Thanks,

Rob Bockman
